NOTE: From 1933-50 the SEC Champion was determined by a tournament, except for 1935. Since 1951, when the round-robin schedule was introduced, the title has been decided by a winning percentage on the conference schedule. From 1951-64 the round-robin consisted of 14 games. In 1965 and 1966 it was expanded to 16 games. From 1967-91 the round-robin schedule was 18 games. In 1992 the SEC split into an Eastern and Western Division, but continued to recognize an SEC Champion based on a winning percentage over the new 16-game conference schedule. The league also began awarding division championships. In 1979 the tournament was renewed with the winner receiving the SEC's automatic bid to the NCAA Tournament.
